

MEMORANDUM OF UNDERSTANDING  
between  
CHUN YUAN CHRISTIAN UNIVERSITY,  
and  
POLITEKNIK PERKAPALAN NEGERI  
SURABAYA,  
for  
DUAL DEGREE PROGRAM

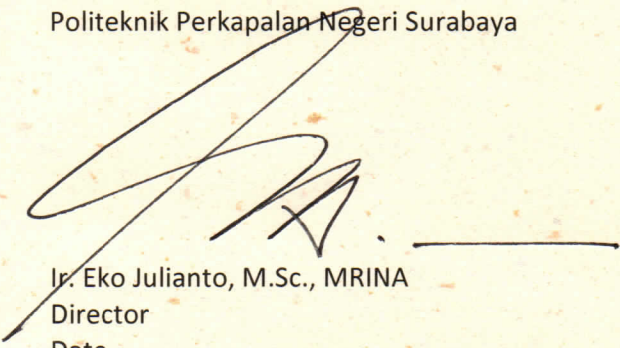

In order to create and advance a mutually beneficial relationship, Politeknik Perkapalan Negeri Surabaya and Chung Yuan Christian University join in dual degree program. Both institutions will make every reasonable effort to encourage direct contact and cooperation between their faculty members, department, and research institutions, to the extent that they are able, under provision of this agreement, and endeavor to cooperate in the dual degree program.

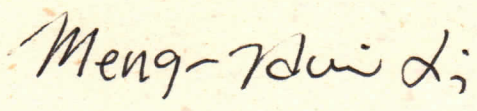

Course Curriculum, Syllabus and other related information and documents will be provided by both institutions upon request. **PPNS will offer** Applied Bachelor Degree in Occupational Health and Safety Engineering, and Applied Bachelor Degree in Waste Management Engineering. **CYCU will offer** Bachelor Degree in Environment Engineering. The joint activity and condition for utilizing the results and arrangements for specific visits, exchanges and other forms of cooperation will be negotiated. Both institutions understand that all the financial arrangements should be negotiated.

It is understood that the implementation of this agreement will commence on signing date and that this agreement will continue thereafter indefinitely, renewing automatically, subject from time to time to revision or modification by mutual agreement. Either institution may terminate this agreement without cause upon six months notice. In the event of the termination of agreement, reasonable efforts shall be made to allow for completion of all outstanding cooperative endeavors.
